-2-

Enemy KIA	4,352
ARVN KIA	432
U. S. KIA	10

*The ARVN also claim that Tacair and B-52s destroyed some 13,500 tons ammunition in a 2 Km. by 2 Km. cache north of Tchepone. This figure has not been confirmed by corroborating evidence. Since it exceeds the total tonnage of all supplies captured or destroyed in Cambodia last spring we are not including it in the verified totals.
