The Honorable Henry Kissinger  
Assistant to the President for  
National Security Affairs  
The White House  
Washington, D.C. 20500

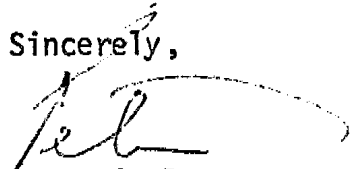

Dear Henry,

I find it difficult to express my gratitude for the outstanding service you have rendered the United States Government and the American people.

Looking back over the last several years where I have wholeheartedly defended the positions that have been taken by the Administration, I must say from a personal point of view I feel, without any question, my confidence and backing of you and the President was well placed.

In the simplest terms, just let me say thank you.

Sincerely,

Peter A. Peyser  
Member of Congress
