We don't mind a vote according to which we should "keep watch on balance" and "move promptly to redress it." This is from our statement.

THE WHITE HOUSE  
WASHINGTON

MEMORANDUM FOR DR. HENRY KISSINGER

From: William E. Timmons *bx*

The House Democratic Leadership has postponed today's scheduled consideration of the "Foreign Military Sales Act" until next Tuesday, March 24.

It appears they want to take advantage of Monday's Jets-for-Israel announcement. A motion will undoubtedly be offered to embarrass the President and force Republicans to choose between the Administration and their No Objection To Declassification in Full 2011/04/28 : LOC-HAK-4-7-5-4

This will be a tough vote to hold. Any policy guidance we should be pursuing?
