PEKING 011

TO: Henry A. Kissinger

FROM: David Bruce

Evangeline and I have reservations at Petaiho Beach Diplomatic Rest House from July 16 through July 23. It is 170 miles east of Peking on Gulf of Bohai, a journey by train of six hours. I would like to go only if you anticipate no serious substantive matters might need handling here during my absence. Jenkins would remain in charge of office.

Warm Regards.
