

ARMY REVIEWED 03-Dec-2009: DECLASSIFIED FOR RELEASE IN FULL

May 27, 1970

MEMORANDUM FOR HENRY A. KISSINGER

FROM: Dick Kennedy

SUBJECT: Condition of Rifles Captured

MACV plans to provide a detailed report on the conditions of SKS rifles captured in Cambodia. In the interim it has been reported that approximately 95% of the SKS rifles recovered by one unit, the U.S. First Cavalry Division, have been serviceable. In one cache of 1200 SKS rifles, 1000 were classified "like new", and of the remaining 200 only 60 were unserviceable.
