

Sept 16, 1974

Dear Mr. Neill:

Thank you very much for sending me the copies of the new edition of American Foreign Policy. We have received them all, both paperback and hardcover.

As you asked in your letter to me of September 11, 1974, I enclose two prints of Dr. Kissinger's official photograph, one in color and one in black and white.

Best regards,

Peter W. Rodman
