

THE WHITE HOUSE

WASHINGTON

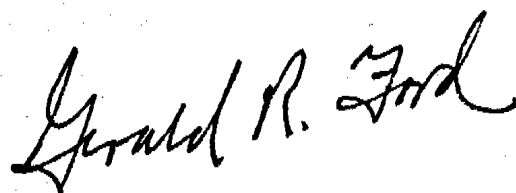

January 29, 1975

Dear Lord Geoffrey-Lloyd:

Thank you so much for presenting me with the splendid color photograph of beautiful Leeds Castle. You were thoughtful to include the statement concerning the preservation of this historic house, and I was most interested to learn that it will become a conference center for American and British medical scientists. Cooperative endeavors such as this do much to encourage international goodwill and understanding, and the picture you sent will serve as a pleasant reminder of the strong ties that bind our two peoples together.

With warmest wishes to you and your associates.

Sincerely,

A handwritten signature in cursive script that reads "Gerald R. Ford". The signature is written in dark ink and is positioned below the word "Sincerely,".
