MEMORANDUM FOR: GENERAL SCOWCROFT
FROM: WILLIAM L. STEARMAN *WLS*
SUBJECT: Ending MAP for Cambodia

Defense has urgently asked for our clearance of a message ending MAP to Cambodia. [redacted] at least one FANK unit in western Cambodia, with which we have radio contact, is fighting its way to the Thai border and may need an ammo drop soon.

RECOMMENDATION:

That you call General Wickham and ask him to hold off on terminating MAP until we can determine which, if any, of the remaining provincial FANK units need ammo drops in order to reach safe territory.
