Dear Mr. President:

Representatives of the mothers of the United States will be in Washington, D. C., on July 16th and 17th, 1970. We are mothers who have never actively expressed our concerns.

It is our sincere wish to meet with you and Mrs. Nixon to express our desire to help end this war in Indo-China.

We are confident that you will extend this honor and courtesy to us as you have extended it to other citizens of the United States.

We await your invitation.

Thank you Mr. President.

Respectfully yours,
