MEMORANDUM FOR

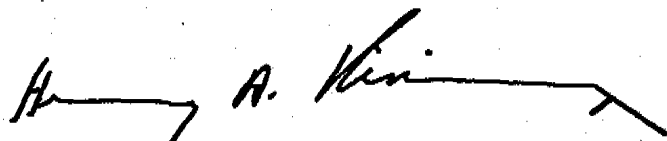

Honorable Richard Helms  
Director of Central Intelligence

SUBJECT: Summary Translation of Trofimenko Book on  
Global War

Please convey my thanks to all concerned in FBIS who gave us such fast service on the summary translation of The Strategy of Global War by Dr. G. A. Trofimenko which was sent me by Counselor Evstafiev of the Soviet Embassy.

We sent it to your agency on August 17 asking for an indication of the thrust of the book's arguments with special attention to their references to my views. It was returned on August 20 with a summary of the arguments, individual chapter summaries, and verbatim translation of the references to me and my writings.

My admiration is unbounded!

  
Henry A. Kissinger

MEMORANDUM FOR GENERAL HAIG

FROM: Jeanne W. Davis *JWD*

SUBJECT: CIA Translation of Book by Russian Scholar

Dr. Kissinger received recently from Soviet Embassy Counselor Evstafiev a copy of a book (in Russian), The Strategy of Global War, by Dr. G. A. Trofimenko. It obviously contained many references to HAK and his writings and we asked CIA for a summary. FBIS did a really outstanding job in three days and deserves a thank-you. (Bill Hyland has drafted a thank-you letter from HAK to Dr. Trofimenko.)

RECOMMENDATION:

That you approve and authorize signature of the attached memo to Mr. Helms.

*Approve Haig by [signature]*
