MEMORANDUM TO: Contract Personnel Division

VIA : FI/GPS

SUBJECT : Amendment to Oral Agreement with ARBASSOWARY 4.
Salary Increase from \$350.00 to \$400.00 Per Month.

1. It is requested that the oral commitments in lieu of contract made to ARBASSOWARY 4 under the provisions of Project ARBARRAGE be amended to authorize an increase in monthly salary from \$350.00 to \$400.00, effective from 1 November 1956. Initially it was planned to make this request in November 1956, but it was deferred at the advice of the SR Budget and Finance Office, which felt that the request should be formalized after the 1957 ARBARRAGE Project Renewal had been submitted and was well on its way toward final approval.

2. SUBJECT is highly deserving of the basic salary increase requested as a reward for his excellent past performance, as well as for the good work he is currently doing. His duties in both FI and CE activities have expanded considerably within the past six months. Subject has had no salary increase since he was first employed in this country in 1953 and has expressed inability to meet current expenses in view of the increased cost of living. It is felt that the proposed increase in salary will raise his morale and act as an incentive toward continuing good work.

3. The above oral commitments in lieu of contract have been made to Subject because of security reasons. It is to be noted that Subject is a member of an ex-ile group which purports to be a government in exile and whose members in an intelligence relationship with us refuse to sign individual contracts because they feel they are not working directly for our government.
