Operational/CALL

Dr. Horst MAHNKE

1. Subject is one of the top fourteen members of the ^{Publication} SPIEGEL ^{sec.} staff as a permanent political editor (REDAKTIONSGLIED). He had already been given to understand that he was going to the United States on the State Department exchange program.

2. Because of the attached report, Dean has cancelled the trip. For better relationships with the SPIEGEL and because of the net loss we might suffer in the public relations field, I feel we should perhaps have the case reconsidered and have him go to the States in spite of his somewhat radical background.
