NICOLAE MALAXA 6-17-85

1. Family -

Ing. Nicolae MALAXA lives at ATENA 1334 POND 30, BUCHAREST, Rumanian citizen, Orthodox belief. Born at HUSI in 1.85. Married Natalia, father of two children.

The elder child, IRINA, born in BUCURESTI in 1919, married George PELICAN, who is a doctor and assistant in the Physiological laboratory of the faculty of Medicine, BUCHAREST. She lives with her husband in the villa which she received as dowry from her father, on the CHAUSSEE BUCHAREST - PLOIESTI, between kilometres 16-17 (OTOPENI).

Dr. PALADE is known to be in sympathy with the Legionaries. Irina PALADE lives in OTOPENI for two different reasons:

1. Her husband's jealousy
2. Fear of air raids in BUCHAREST.

She had a very tempestuous and adventurous youth and is supposed to have also lived with King CAROL. She has now SIBICEANU (Cabinet Director Gh. PATAROIU) as lover.

The second child, Constantin MALAXA, born in 1922 is a student. He lives with the AGT. Mrs Nuti DOMITRASCU, residing at str. IOANNEI 94, 3rd floor, telephone 23583.

MALAXA's sister, Olga, lives at STR. LAPINA 14; she was born October 21st 1904 at GALATZ; carries identity card BUCURESTI POPULARE No. 1987, Circa II, issued by the BUCHAREST Prefecture of Police.

2. Political and Commercial -

MALAXA was the partner of King CAROL in the MALAXA Metal and Industrial Works. He is a good and devoted friend of Gen. P. ARON, late CONGRESSIONAL MINISTER, the present Minister, Ing. ARON, president of the council of management of the Rumanian railways.

At the present moment MALAXA is on very bad terms with Ing. STANESCU, general OREZANU, Minister general DOBRE, DANIEL director of ASTRA-ROMANA, former director of MALAXA Works, Adrian DOMITRASCU, former director at MALAXA Works.

Since Mihai ANTOYAN is interested in the MALAXA Works, the latter two months ago issued an ordinance, whereby the MALAXA Works passed into the hands of Nicolai MALAXA. Minister-general DOBRE opposed this retransfer of his property.

1 January 1944.
