SUBJECT { GENERAL
SPECIFIC Activities of Nicolae MALAXA

REFERENCE: 12779

1. We are particularly interested in payments by Nicolae Malaxa to Rumanian refugees and in his expenditure of funds for other purposes. As you have already been informed, it is believed here that the scholarship funds disbursed by Mircea Eliad for General Nicolae Radescu are made available by Malaxa. General Radescu has likewise made gifts of money to Rumanian institutions in Paris, including 50,000 French francs to the Rumanian Orthodox Church there. These funds are said to pass through Caranfil's hands. It is believed that Radescu is financing the new periodical, *Curierul Roman*. In all probability Malaxa is the ultimate source of these funds. Barbu Niculescu is said to have brought new funds to Caranfil from Radescu on his recent visit to Paris.

2. Your information relative to payment of \$200 to by money order is most interesting. Please supply information relative to 's earlier connections with Malaxa. Can you ascertain if payments are made to him periodically? Is it possible to discover the first name of the Mrs. Gunther in question, or her New York address? Does she also maintain a residence in Washington?
