CONFIDENTIAL INFORMATION

Extract from letter dated 12 December 1951, received from

usually reliable informant.

Buenos Aires, December 12, 1951

The offensive of the Legion is in full swing. It does immense damage to the Rumanian cause. I wonder where the money comes from for all their publications.

Here in Buenos Aires, what is written by the Legionnaires (members of Radescu's ARLA) is read only in Rumanian circles, because everything is written in Rumanian. However, numerous as they are and actively circulating, the Legionnaires succeed in giving the general impression that all Rumanians ~~are~~ nazis, that they regret the defeat of Hitler, and that, once liberated, the people of Rumania will seek a rightist dictator for itself.
