There have been no formal hearings on Malaxa before the House Immigration Committee. There were approximately 3,000 pages of testimony, however, taken before the Immigration & Naturalization Service and their findings and Order have been printed and are available from Malaxa's Washington attorneys.

While Malaxa's name has been favorably forwarded to the House Judiciary Committee by the Department of Justice, his name has not been included on any Bill as yet and I am unofficially advised that the Committee would probably turn down any legislation in his behalf.
