MEMORANDUM FOR: DCI

Attached is the draft of the paper you asked us to prepare for the President on the possibility of supressing the narcotics trade in Turkey. It is a joint product of the Narcotics Center and OGSR and has been reviewed by both State and DEA, who are in general agreement with it. We plan to put it in final form by COB Monday and would appreciate your reactions and comments. If you return it to the Operations Center over the weekend, our people are prepared to come in and work on
