APPROVED

MEMORANDUM FOR THE RECORD

SUBJECT: Project MKULTRA, Subproject 36

1. It is of value to TSS/CD to have, at irregular intervals, meetings during which TSS/CD contacts can discuss projects in the sensitive field for which Project MKULTRA was approved. These contacts are specialists in their own particular fields, and the meetings provide an opportunity to exchange ideas and they stimulate suggestions of new lines of approach to problems in the MKULTRA field.
2. Bringing several individuals together at a common meeting point usually involves travel expenses, and the meeting itself often involves expenses for a secure meeting site, etc. The services of specialists often require consulting fees. The purpose of Subproject 36 is to provide a means to cover the necessary expenses of such meetings.
3. It is contemplated that certain individuals attending these meetings might be unwitting of government or Agency interest, might be uncleared, or might desire no written association as a condition for their participation.
4. This subproject will be limited to situations which can not be handled by one of the other established MKULTRA subprojects, and it will not be used to cover the expenses of Agency employees or regular consultants.
5. The total cost of this project is estimated at \$3,000.00 for a period of one year.

Case 17,739 - Expenses Incurred by [redacted]

[redacted] - SP-119

1. The enclosed letter from [redacted] dated April 8 details expenses accrued in connection with the diversion of the [redacted] into [redacted]. The \$646.07 may be remitted, directly by check payable to [redacted], or, if authorized, I will pay that amount by cashier's check with funds from 00-8-52.

2. [redacted] has disregarded indirect expenses in connection with the [redacted]

3. It is impossible to repay [redacted] and [redacted] for their wholehearted cooperation and considerable amount of time devoted to this case. Innumerable telephone calls were exchanged between the [redacted] and this office; several calls were made by [redacted] to and from their [redacted] office. In connection with the arrival of the [redacted] at [redacted], I could not inform the [redacted] officers or exactly what might be required in carrying out our mission, consequently orders were given to the [redacted] agent at [redacted] to comply with any request from me when I was in [redacted] shortly prior to the arrival of the ship.

4. It is suggested that a letter of appreciation for [redacted], President, and mentioning [redacted] would be appropriate.

5. After your response to this letter, may we close case 17,739?
