Dear Doctor [REDACTED] A

Our research work on the interaction of personality factors and psychotogenic drugs (including LSD, Psilocybine, and Mescaline) is going along very well, and we have a number of papers on our results in print at the present time. As soon as reprints are available, I will send them along to you.

The climax of our work was obtained at the [REDACTED] We held a symposium there on [REDACTED] Dr. [REDACTED] reviewed the specific factors, and [REDACTED] discussed his paper. Dr. [REDACTED] spoke on the non-specific factors, and his paper was discussed by [REDACTED] There were ten young scientists on the panel. The symposium was most successful, and was so well attended that 60 to 70 people had to stand.

We would like to publish the proceedings of this symposium in the form of a book, rather than have it included in the [REDACTED] Proceedings - which are accessible to a limited number of people, and are hardly ever read!

[REDACTED] B The manuscript will consist of about [REDACTED] typewritten pages. [REDACTED] informed me that it will cost about \$2,650.00 to produce 2,000 to 3,000 copies of the book, including [REDACTED] copies which will be sent out for review in national and international medical journals.

[REDACTED] B I am submitting this information to you in the hope that [REDACTED] might give us some financial assistance. Please let me know how you feel about my submitting an official request for a grant.
