of

1. The purpose of this subproject is to provide funds for *the continued*
a study of potential psychopharmacological agents. In particular,
studies will be directed to the elucidation of interrelationships
between molecular constitution and biological response. Studies
will be conducted into the biochemical characteristics of certain
types of moieties which are of interest to ~~TSS~~ *TSD* [redacted]

2. The attached *Budget* ~~proposal~~ indicates the extent of the investi-
gations that will be carried out under the direction of [redacted]
in facilities available at the [redacted] The funds for
this project will be transferred using the Geschickter Fund for
Medical Research, Inc. as a cut out. *Bo*

3. The cost of this program for a period of one year will not
exceed ^{24,080.00} \$21,080.00 to which must be added the four per cent fee to the
