6: Herewith a brief summary on Jakob LOELLGEN as a possible source on the fate of Heinrich MUELLER. It seems to me the RIS would never have let LOELLGEN go back to the West if in fact they had had MUELLER. The scandal of sheltering this number one war criminal would have made it too risky. However, who am I to judge?

The GOLENIEWSKI report that KASSNER was a serious candidate for the BfV on a high level seems to me unfounded. I have an Army report on KASSNER which pretty well shows he was trapped by the Sovs, because they wanted him out of the way, but suggests no such reason.

As you say, getting the German police to talk to LOELLGEN, if he is still alive, might be easy but would get us in trouble with liaison. Have we any interviewer or other resource on tap that might "accidentally" look up LOELLGEN? LOELLGEN can certainly shed a lot of light on this entire matter....
