Chairman, Projects Review Committee
Thru: Executive for Personnel and Administration
James E. Briggs, Acting Chief, ICAPS

9 December 1968

Move FBIS Monitoring Station from Portland, Oregon,
to Reseda, California.

1. Recommend approval of this project if funds can be made available.
2. Examination of attached papers indicates that current FBIS activities in Portland may be curtailed or eliminated due to FCC requirements, and that new station recommended will provide --
 - a. Better year-around reception
 - b. Wider world coverage
 - c. Permanence of operations

JAMES E. BRIGGS
Colonel, AC
