SPECIFIC - Dr. ~~Karl~~ Dr. Karl ~~HEI~~ = Karl KIRCHMANN

DATE: 25 August 1949

References: FIR 9756 Wing ref. : FIR 3763

1. Reference reports indicate that Karl HEI is presently collaborating with Italian military intelligence. As you will note it states further that HEI entered Italy with apparently genuine Allied military government documents in the name of Karl KIRCHMANN. From another source it has been learned that HEI apparently was in contact with CIC, Lima, Austria, during 1947/48 and had the backing of some members of that unit for his intelligence activities.

2. Although we realize that the following request involves extra-ordinary work for Jacob A. M. DUNN, we should be most grateful for a statement from him on HEI's background and qualifications, his connection with CIC Lima and the extent of support given him.
