MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT: Operation BGFIEND

REFERENCE: Memorandum For DD/P, 28 October 1952,  
"Operation BGFIEND"

1. In compliance with the request forwarded through [ ] there are attached herewith a number of examples of the intelligence produced by the BGFIEND operation. The material has been divided into that obtained through W/T messages from our agent teams and from their debriefings and that obtained from the BGFIEND apparatus outside of Albania.

2. Reference memorandum was written in order to put on record and clearly establish the fact that there is a definite distinction between the British Albanian operations and our own. I appreciate receiving the clarification of Mr. Dulles' statement to the British. If there is any additional information or material which might be helpful in evaluating the results of the BGFIEND operation this Division will be happy to supply it.
