CHRONOLOGICAL NARRATIVE ACCOUNT

1. By prearrangement I called on Pocaapon at his official residence in Shibuya at 1430 hours, 23 Dec 55. Being scheduled to leave the following morning by JAL for Hokkaido, POCAPON was extremely busy so I did not have an opportunity to discuss any matters at length with him. I did however, mention the fact that the negotiations for the Japanese share of the maintenance of the Security Forces in Japan was on a rocky path. POCAPON admitted that since the split of functions recently in which he had been relegated to handling party affairs he had not kept up with the official government matters. He added that had he more time he would be more aware of what is going on but at the present time his hands were full in trying to set up the local mergers of the old Liberal and Democratic parties. POCAPON explained that he would return to Tokyo on Christmas day and then "hide away" at a resort until the 29th. On the 30th he said he was leaving for the Isu Peninsula to spend the New Year holidays and after returning on the 5th of January he was scheduled to leave for Kyushu on the 6th and would not return to Tokyo until the 19th of January or so. He will cover all of Kyushu, Tottori, Shimane and Osaka on this trip.

2. I wished Pocaapon a very good holiday season and after leaving his gifts with him departed. and gifts were given to them downstairs.
