OHLBRECHT, the former security specialist for LCCASSOCK, was requested to "resign" in July 1953 after it had been discovered that he had usurped his one time ~~SECRET~~ permission to deal with Public Safety (during the Mussehl affair) and had apparently continued his contacts with German employees unknown to [ ] BOB and Public Safety (see BRLN 9442). OHLBRECHT was also more interested in outside activities that made his actual work for LCCASSOCK negligible and in certain instances inimical to the interests of the group and KUBARK. Following was uncovered in investigation against OHLBRECHT and his two former Luftwaffenforschungsamt colleagues RICHTER and BUCHOW:

OHLBRECHT is a Zipper agent. He is reportedly trying to build an information gathering apparatus by using the distribution nets and circumventing [ ] He is in contact with Dr. Eduard SCHULZ (see BRLN 0742), friend of [ ] PP specialist [ ] OHLBRECHT and Buchow are in contact with RAUMANN (EGBA-6322) of the Gesamtdeutsches Ministerium who may be working for the BfV and who is aware of the ~~KUBARK~~ US sponsorship of LCCASSOCK. Secklemann reportedly recommended OHLBRECHT to Dr. JOHN. OHLBRECHT, Buchow and Richter are members of the FDP and it is reported that OHLBRECHT is in the FDP security Ausschuss. OHLBRECHT deals in black market activities with the East, specifically with radio tubes and in this connection he works with GEURE (fm). He has also sold LCCASSOCK pictures to West German magazines.

OHLBRECHT, BUCHOW, RICHTER and RADER have ostensibly established contact with an Allierter Dienststelle whose task reportedly consists of printing publications for the staellites and paying fabulous salaries to its employees.
