1. ZIPPER analysis of the general ADN releases on ZIPPER organization and personnel has proceeded to the point that a more complete statement can be made. We are forwarding that statement in attachment for your information and retention.
2. Attachment considers the press releases point by point, giving wherever possible the probable enemy source of the material. Many points remain unclarified, and as ZIPPER indicated, further inquiries are being made.
3. Meant to be only a further analysis of the press releases themselves, attachment purposely omits discussion of the counter measures being taken by ZIPPER. Information on this subject will be forwarded by FOB as obtained. (See EOLA-7915).
