BECRET

7 Dacember 1959

for Yisa Units

HER Michael OLIA

Considerable information is available on Subject, who is described as an international advantumer and crock, well-known to the policy of neveral countries outside of Italy. According to to police records, Subject was given a south in fail in France and expelled from that country following his arrest for the operation of a clandestine or unreported radio transmitting set maintained by him in his apartment in Faris. He left France and went to Stitzerland from which country he was also expelled following his being invo involved in extensive foreign exchange transactions of an irregular mature. In France he had also been arrested and given a sentence of 5 two years and a fine for irregular foreign exchange transactions.

According to another reliable source, Subject was suspected of having been connected with a group who worked for the Germans in Paris during the last war by bringing into Switzerland and solling there, international shares, currencies and gold, which had been confiscated by the Germana from Jews Living in Prancy.

A report dated 19 James 1946 from a source of unknown reliability, stated that Subject had been surjected of complicity in the amaging of currency, gold and "shares" into and out of France. In Earth 1945, Subject was supposed to have collaborated in the smuggling of money to "outh America carried out by the Germans:

In a newarddum dated 5 August 1955 from Thim Ecknight, proof Attache of the American Embasey in Rome, Subject the supposed to have said, at a dinner party in New York, that is (ULIN) was coming back to Italy to "get" the Ambassador - that he was a spectalist in the expose and that he intended to expose here the aformation was, according to McMaight, from the Ambassador herself.

The above information regarding Subject is for the use of pour affice only and it is urged that the utroot discretion be used in the handling of this report.
