SYNOPSIS OR BRIEF REPORT:

1. We have shown the photostat copy of the Swiss passport attached to KSM-62 to the Swiss Federal Police. They tracked down the real Alois WINKLER and interrogated him. The results of this interrogation are following:
2. Alois WINKLER, born 1919, Swiss, (see copy of identity card attached), met a German on the shore of Lake Geneva at Ouchy/Lausanne during the autumn of 1946. The German introduced himself as PIPPER (FNU) and said that he was a former officer in the Luftwaffe. WINKLER saw PIPPER later and the latter asked for WINKLER's identity papers and military service record. WINKLER claims that at first he refused but that PIPPER then introduced a Dr. BOSSHARD, UNRRA officer. BOSSHARD convinced WINKLER that the papers should be given to PIPPER. As soon as PIPPER had the necessary papers he procured a Swiss passport with the help of BOSSHARD. With the passport PIPPER went to Lucerne where he contacted a German (name unknown) who allegedly gave him the money for the trip to Portugal. This German in Lucerne has a farm in Portugal where several other German refugees are reported to be living.
3. We are attempting to identify and locate the UNRRA officer, Dr. BOSSHARD. The Swiss are trying to identify the German in Lucerne. In the meantime it would be appreciated if you could send us any information you might have on the owner of the farm where the Germans are reported to be living. Also the Swiss have asked if it would be possible to procure the passport now held by the false Alois WINKLER in Portugal.
