OTTEN, Walter

OPERATIONAL ALIASES:

KOLM, Guenther

MISCELLANEOUS:

Subject is a former SS man and Kriminalrat. MOB obtained Subject's Nazi Party and SS records from BUC in May 1957 at UPENING's request. BDC forwarded 14 photostats at the time, all of which were relayed to UPENING. Unfortunately, no copies were retained by MOB.

In late December 1953 and early January 1954, Subject under true name was included in an East Zone expose of UPENING which was apparently based on material consolidated from various sources and not from one single de-fector. It was never determined who had been the source of the information on Subject; however, Subject was a member of CW L at the time.
