Dear Agency Representative:

I have received a letter from the Agency requesting verification of citizenship through an alien registration number and date. I am afraid that the alien registration number and date are unavailable, as I was required to turn in my alien registration card upon receipt of US citizenship and passport. Provided below is my passport number and the date that my passport was issued. Please let me know if there is anything else that I need to provide to expedite the process.

Passport number:  
Date passport issued:  
Citizenship
