MADAM, I, AM [REDACTED] OF (b)(6)

[REDACTED] Raised in the city

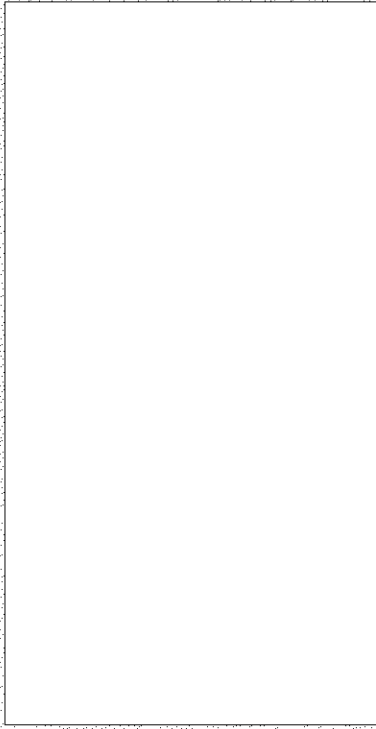

My APRIL 21, 2010 FOIA & P.I. requests was NOT one seeking data of my placement on a Terrorist List. But a request to ascertain intelligence and/or get you to ascertain [REDACTED] Department of Corrections surveillance documents, films, photos, recordings, papers, etc. of my person's. I believe without a doubt your agency will be not only interested, not only not aware of the unconstitutionality but may intervene to cease [REDACTED] Department of Corrections [REDACTED] doc's arbitrary, caprice & wanton techniques upon my person's. (b)(6)

Woe be gone, alas, this is my ULTERIOR motive, soon to be yours once upon discovery of aforementioned. Your C.I.A. agency should have been aware of [REDACTED] doc's investigative surveillance techniques, which is nothing more than a cover tape to hide their personal terrorist attacks upon me. Your agency prudent and prompt gathering of [REDACTED] doc surveillance techniques will be very much appreciated as well as in the interest of national security. (b)(6)

I will find it feasible to departure. CONFIDENT you will reply & act aptly. Sincerely
