PERTINENT INFORMATION:

SUMMARY

For 15 years Luigi PARRILLI was the European representative of Nash Kelvinator. He married a Miss POSS, daughter of an Italian textile manufacturer. At that time he was obliged to become a member of the Party (presumably Fascist), although prior to his marriage he was a Royalist. He speaks many languages, is very able and dependable. Although he has not been on the company payroll since the war started, the Nash Kelvinator hope to reemploy him as their European representative when they start reestablishing branches in Europe.

Note: This information was obtained from an officer of the Nash Kelvinator Co.
