Subject: ODEUM Trip to Rome, Madrid, and Paris, January, 1949.			Date 30 Oct 52

PERTINENT INFORMATION:

"...Le Baron Luigi PARRILLI.

Very wealthy Italian Nobleman. Influential in Order of Malta. Is cold-blooded and calculating as a fish. Profit is the only incentive he listens to. Do not believe his word could be relied upon. During the war played both sides to the middle, including Allan DULLES. Has several business interests and residences in the U.S. I believe a squeeze on his pocketbook and he would do anything. He suffers from extremely high blood-pressure. His wife is also very ill and must spend much of her time in bed in the Italian Alps. Since about the time of this trip, the organization has held him in very low regard..."
