

II.

Schlachtensee.

From SBahnhof Nikolassee proceed east, on Spanischeallee down Am Schlachtensee to House No. 120. In front of this address, between the house property and the sidewalk there are the remains of a brick foundation for a wooden fence. The holes for the wooden posts are now empty and can be used for concealing messages. We have picked the point directly behind the advertising column (see map and photograph 2).
