MEMORANDUM FOR:
Security Assistant

(b)(3)
(b)(6)

FROM:
Deputy Chief, Administrative Staff, ICS

SUBJECT: Pentagon Passes for Access to River and Mall
Parking Areas

1. Certain measures to improve security at the Pentagon have been initiated. As a result, vehicle access to the River and Mall parking areas is now controlled and special access passes are necessary. We have received three (3) of these passes with the following numbers for ICS use:

OB00509
OB00510
OB00511

2. These access passes are not parking permits, but provide access only to the River and Mall entrances.

3. It is imperative that each access pass be safeguarded to prevent its unauthorized use. If one is lost, damaged, or stolen, this fact should be reported to me immediately. Passes will not be replaced without strong justification.

4. Please issue these passes to anyone driving one of our official vehicles to the Pentagon. We have been asked to contact Ms. Stump at the Pentagon by telephone to guarantee a parking space in the River and Mall entrance areas. Her telephone number is 697-6251. Should there be any questions or problems regarding these passes, please let me know.
