Subject: Phone Conversations with Pat Sullivan and Jim Gillis [Redacted]

(b)(3)

(U//~~FOUO~~) I left a voice mail message for Pat Sullivan [Redacted] asking about the status of our referral to DoJ about this case [Redacted]. He called right back and, after I described the case in unclassified terms, said that he was unaware of it. He said he thought that Jim Gillis or Rob Spencer at EDVA would know about this case. I called Jim Gillis and left a voice mail message providing him with my and your open telephone numbers. Gillis called back and said he would like to come to OIG/INV to read the case file, perhaps as early as tomorrow (13 August), but more likely next week. As a result, I left the case file on your chair.
