MEMORANDUM FOR THE RECORD

SUBJECT: Project CHIGOE

REFERENCE: Memorandum of Understanding, Project CHIGOE,
14 April 1967; OSA-0067-67

1. Reference notes the transfer of OSA security responsibility and operational interest in Project CHIGOE to REWSON. In this connection, the supplies and equipment that have been provided that program through the OSA Materiel Office are made a matter for the record.

2. These materials were, under previous understandings, obtained as "off-the-shelf" non-reimbursable assets from the USAF inventory and provided to Ling-Temco-Vought for its performance of Project CHIGOE contract tasks. The attached listing of property is furnished the REWSON Project Manager for his cognizance and to insure continuity of assets accountability is maintained.
