DRAFT  
28 January 1954

MEMORANDUM FOR THE RECORD

SUBJECT: Project MKULTRA, Subproject 22

1. Subproject 22 is a continuation of Subproject 1 which had as its scope preliminary work on the isolation and characterization of the alkaloids of Impomea sidafolia Choisy (Rivea corym bosa) in order to determine their activities as agents affecting the central nervous system.

2. The results of the preliminary study are such that a full program of research on this material is desirable. [REDACTED] who conducted the preliminary work, has submitted the attached proposal to carry out this work as outlined by [REDACTED] TSS.

3. The Geschickter Fund for Medical Research, Inc., will serve as cut-out for transfer of funds to the investigator. The estimated cost of the work according to the proposal is \$7,700.00 for one year. To this must be added 4% service charge for the Geschickter Fund amounting to \$308.00. The total cost of this investigation for a period of one year, therefore, will not exceed \$8,008.00.

4. [REDACTED] has been granted a Top Secret Agency clearance and is fully capable of protecting the Government's interest in this project.
