Dear

As an attachment I am sending you the minutes of the founding ceremonies. I and all those attending regretted very much that you were not present on the occasion of my lecture in Mr. Kromiadi's house. Nevertheless, I certainly hope that our work will bring us together in the future.

Up to now I have not been able to speak to either Mr. Yakovlev or Mr. Mikev, since every time I was in Munich, they were away. I hope there will be no misunderstanding on the part of the Russians because the work has not gotten under way at this point. Those who founded the group in Berlin wish to work with all Russian groups on an equal basis and to fill the posts of the central committee in the same way.

The same is true with respect to our wish to cooperate with you and other foreign organizations. You would be misinterpreting the name of the organization if you were to think that we want to restrict German Russian friendship only to Germans and Russians. A glance at the attached material will immediately reveal that we all must stand together to accomplish our great tasks.

It is expected that Ernst Reuter will speak in Munich on the sixth and seventh of July. I have already written to Mr. Yakovlev asking him whether he himself or another representative of his organization care to speak on the same program with Reuter. Does your organization not wish to take part in these ceremonies? We would not only be happy if you would, but we would have reasons to be grateful in view of our present position.

I expect to be in Munich on the twenty-fourth, twenty-fifth and twenty-sixth of June and I will telephone you immediately after I arrive.

Sincerely yours,

Rainer Hildebrandt

Memorandum for the Record

SUBJECT: Miscellaneous Information Concerning Activities of Rainer Hildebrandt,
as reported by [] []

1. According to Phillipov, a conference was recently held in Munich between Bavarian land officials and Hildebrandt and his associates. On the official German side were the Vice Mayor of Munich, Von Mueller; Noske of Landtag, and Professor Richtofen. Hildebrandt was accompanied by Kromiadi, who brought with him Thompson (Milrood). Von Mueller listened for some time in silence, then remarked that he didn't understand why he was being asked to associate with intelligence agents. Thompson is reported to have left the room at that point.

2. A meeting of the Hildebrandt outfit was called for Friday evening 6 July 1951 at the Bavarian Economic Ministry Building with Ernst Reuter as speaker. Mikhailovsky, Monarchist, signed the invitations for the Russians. Yakovlev reported, apropos of this, that Tsurikov had telephoned him asking him to speak for SBONR. Yakovlev said he would put it up to SBONR. SBONR nominated Dykov to speak.

3. Yakovlev reported to [] [] that ^XYuri Maier called on Phillipov at the Institute. Phillipov reported to Yakovlev of this visit that Maier had told him that he (Maier) wanted to be named head of the Hildebrandt organization in Munich.
