MEMORANDUM

CAM 2-58

SUBJECT: ~~X~~ SCHULGA, Wasyl  
 DOB: 22 Apr 1905

 Ukraine, USSR

DATE: 4 Feb 1958

DATE RECEIVED: 4 Feb 1958

RADIO LIBERATION EMPLOYEE — GERMANY

ACTION REQUIRED: For your information and files.

Subject reports that about 1:30 in the early morning of 4 Feb 1958, his telephone rang. His wife answered and was asked, in German, if this was the Schulga residence. She replied that it was and the caller, a man, wished them a pleasant night. Between then and the time Subject came to work at Radio Liberation, two similar calls were received.

Twice before noon of the same day after Subject had gone to work his wife received similar calls, during one of which she was asked whether her husband knew a Colonel (Polkovnik) MAKAROV; she answered "no" and the caller hung up.

Subject has received calls of this type in the past, also usually at night and also usually in German--the last one was about a week ago--but never had he been subjected to such a barrage. Subject, himself no Rock of Gibraltar, states that his wife is a very nervous person and feels that somebody is trying to work on his wife's nerves.

Subject says he has no near relatives in the Soviet Union and thus has not been approached by strange people with letters from home, but that about a year ago he was approached via the mails and asked to meet a person at a restaurant called Farik where he was to sit at a certain table and he would have a chance to meet the writer. Subject was advised to keep the appointment and he showed up at the restaurant at the appointed time; no one was there to meet him or approached him and nothing was ever heard from anybody who might have been this person since that time (this incident, Subject says, was reported at the time to this office.)
