MEMORANDUM FOR THE RECORD  
From SECURITY OFFICER, A.C.L.  
Re. Pedro RUIZ-QUINTERO

IP

MICROFILMED  
DEC 20 1962  
DOC. MICRO. SER.

On 30 November 1963, Francis S. Ronalds, Program Manager of the Radio Liberty Division, told me that Will Klump, Emigre Relations Adviser, had informed him he should check with me before going ahead with a proposed contact with Subject.

Ronalds explained that arrangements already had been made for RLD's Paris Representative, James Critchlow, to contact Subject on 3 December 1962 for the purpose of interviewing him on Cuba matters including such topics as subversion in Latin America and for the purpose of obtaining leads as to names of other people who might be similarly interviewed. It is contemplated that certain of such interviews could be utilized in RL broadcasts.

I informed Ronalds of the content of the Paris communication of 14 November, and that under the circumstances Critchlow's contact should be restricted to obtaining the leads and not to become further involved with Subject.

MEMORANDUM FOR THE RECORD

FROM: SECURITY OFFICER ACL

Re. Pedro RUIZ-QUINTERO

The following was submitted to me by Will Klump, Emigre Relations Adviser, on my informing him of the [ ] interest as set out in the [ ] communication of 14 November 1962:

"Stewart informs me he has only written to Ruiz a couple of times since Helsinki.

We had understood it was all right to remain in contact with him for distribution type activities like:

- 1) Sending him IYIA and Institute materials for distribution;
- 2) Sending him articles for use in his publication;
- 3) Asking him to invite Latin-Americans to the Stollte do-it-yourself speech in Paris.

Is this all right?"
