MEMORANDUM FOR: C/CA/PES

SUBJECT: FY 72 Renewal of Project QRDYNAMIC (CA/B2 - Ukraine)

1. This renewal requests \$C    , up from \$C    approved for FY 71, to continue subsidy of the Foreign Representation of the Ukrainian Supreme Liberation Council (ZP/UNVR) and its publishing and contact activities. The increase is allocated largely to payroll. We recommend approval.

2. Project activities, exploiting the nationality/minority issue and other dissidence in Ukraine, continue at about last year's level. The publications schedule includes, in addition to the four established periodicals, thirteen books and pamphlets (nineteen are planned for FY 72) noteworthy among which are sawyday collections titled Ukrainian Intellectuals Tried By The KGB and The Youth of Inshpetrovsk In A Fight Against Russification. The personal contact program is being vigorously pursued in the Ukraine, Eastern Europe and elsewhere.

3. A number of domestic media attacks and other reactions are noted, indicating regime sensitivity to the ZP/UNVR and its activities, and attesting their contributions to maintenance of the Ukrainian national consciousness.
