29 JUN 1971

MEMORANDUM FOR THE RECORD

**SUBJECT: QRDYNAMIC FY 1972 Renewal Meeting with A/DDP,
9 June 1971**

REFERENCE: A/DDP Memorandum DD/P 1-2973, Dated 11 June 1971

One point which is worth emphasizing, not noted in referenced memorandum, is the A/DDP's general endorsement of the Agency's continued support to a Ukrainian opposition group, as a means to bring pressure on the USSR. He speculated whether the Ukrainian group with which we were associated was the most important one and the CA Staff answered to the affirmative. It would be useful to provide more evidence of this. The A/DDP also registered interest in QRDYNAMIC's capability to exfiltrate "samizdat" documents, observing that it might be useful to have portions of the Ukrainian dissident publication, the Herald (Ukrainskyy Visnyk) translated and distributed in English.
