made to send HIGHTWATCH/6 to Paris and HIGHTWATCH/9 to London as area representatives of the CAMBISTA organization. If these individuals leave Belgium, their positions in HIGHTWATCH will be filled by HIGHTWATCH/1, without, it appears any thought being given to the eventual turnover of MIGHTNATCH personnel or the security hazard of exposing an eventual REDSOX candidate to the NICHTWATCH operation.

A dispatch is being written to pointing out the above facts and requesting that he discuss the problem with HIGHTWARCH/1. It will be suggested that, it anticipates drawing future candidates from HIGHTWARCH/1 s group in Louvain, he should point out to NICHTWATCH/1 the hazards of naving individuals briefed on other KUBARK operations and suggest that MIGHTWATCH/L distinguish between those in his group who he believes might be of value in another area and those who he believes will be most permanent in prisoner. It will be suggested that approach such a conversation from the effect such actions had on AECOR, and he should not become involved in the NICHTWATCH operation.

It is felt that a discussion concerning AECUOR with MIGHTMATCH/1 should only be undertaken by Munich. The introduction of this subject by KUBARK, Would broaden our relationship with MICHTWATCH/1 beyond that which is necessary for the MICHTWATCH operating and rould give to HIGHTWATCE/1 the opportunity of playing against Munich.
Although HIGHTWATCE/2 is undoubtedly the eyes and ears for HIGHTWATCE/1,
it is felt that every attempt should be made to direct the HIGHTWATCE
operation through HIGHTWATCE/2 personally and make him more desendent on KUBARK. Questions of plans and policy, etc. brought up by either MIGHTWATCH/1 or HIGHTWATCH/2 which transend this particular operation should not be discussed by KUBARK,

Chief. WE
