Believe, if I recall correctly, that you are on leave, but hopefully, in that case, DS EAs can pick up this ball and run with it. OS requests that OPA put the following (text in blue only) announcement out regarding another upcoming protest at

HQs. Also attached is additional information regarding the group, etc., for your information. As always, appreciate the support.

The SPS [redacted] has found information of another planned protest scheduled for 29 June 2013 circulating on (b)(3) the internet. This organization coordinating the protest is The National Campaign for Nonviolent Resistance (NCNR). NCNR prides itself on having filed a criminal complaint against POTUS and the DCIA on May 21, 2013. The protest is advertised at WWW. WAR IS A CRIME.ORG. The protest is being organized for a start time of 3pm. This group does have a history of non-violent protests, however they also have a history of arrests to increase publicity.

In addition to the protest, OPA Media is sponsoring an NBC (TV) crew from 1000-1800 on same day. They will (b)(3) be featuring the CIA museum and will need [redacted] open that day for their equipment. OPA will also be putting out a notice during the week leading up to that Saturday for their event.

As a result we would like the following message approved by OS and DS for distribution as a [redacted] message (b)(3) on Saturday 22 June and then as part of an OPA notice to the workforce on Thursday 27 June.
