Didi,

The number 1 thing is to feel better. I can make either day work; I've got a meeting in town at 10:45 on Thursday (should be done by 11:30 or 11:45) and on Friday a second interview with the SecState at 10:00 (tho knowing her, the time will shift twice between now and then.) If you are not recovered enough to be at a lunch, we can just get coffee somewhere.

cheers,
david

David – still sick, but standing. I could probably do either Thursday or Friday; what works better for you? Didi

Didi,

Just checking that you are on the road to recovery. Sent you a note yesterday, and when you feel up to it, let's reschedule. I'm around this week; next week is tougher.

cheers,
David

David - I apologize, but I am sick as a dog today, and I don't think it is wise to be around me and would like to cancel our lunch. I hope you understand.

However, I spoke with the Director over the weekend, and it is clear he would like to talk with you about the book. Would you be able to send over a list of the topics you'd like to discuss with him so he can begin thinking about them? Off the record, he's unavailable for a few days, and it will be next week before we can look to get you on his schedule. But we'll get the scheduling started. Regards, Cynthia
