Didi and I were just talking about the trip out to see you. I wanted to touch base to see what your preference is. Would you like me to come out before you meet with the school? Would you like me to be there for the meeting with the university? I'm happy to do whatever would make you most comfortable. I do have one scheduling issue -- early morning on the 7th, [Redacted] that I'd like to keep if possible. So, if you'd like me there (and I am happy to be there), would it be possible to see if the meeting could move to Tuesday morning? If not, I'll of course move my appt.
