Sounds good.
Please check with Chay to see if the date still works with their schedule and let me know how it shapes up!
Did all go well today with security and SPS?

I received a request over the weekend for Bryan Cranston (the other actor who will be present for the HQS shoot on 19 Nov) to meet with some Agency officers to do some research for his role.
The original request was for [redacted] but also mentioned a visit to DC on 7 October as a possibility.
I am happy to organize the visit and set up some meetings for Mr Cranston with some [redacted] officers on that date.
Should I proceed?

Text of emails from Ben Affleck's assistant, Chay Carter:

Good morning from LA.
Hope this finds you well.
I wanted to follow-up my email on Friday regarding Bryan Cranston (playing O'Donnell) and see if [redacted] don't work out, if 10/7 in DC might work for a tour of the CIA.

He's trying to do some research to prepare for his role, and anything you might be able to do to help would be so appreciated.

All best, Chay
