Yes. With [redacted] clarifications, we are good to go with the tweets and posts. Recommend we post the D-Day tweets very shortly after the first tweet.

Dean,

With [redacted] clarifications sent to your questions below, are we good with the social media messages for today?

(b)(3)
(b)(6)

Otherwise, they were fine with the rest of the tweets and posts...provided we get approval to do this today. They are pushing EXDIR to get things finalized before our 1:30 deadline, but we'll see.

Thanks for working the approvals.

Many thanks,

Initial feedback from ODCIA.

What does this one mean?

Can we come up with a better question to ask about the National Security Act of 1947, maybe one that has CIA in the answer?

. We were established on 18 September 1947, with the National Security Act of 1947. Do you know what else was established?
